I did not make up an answer. Danny V and I discussed the pool project at 7am this morning.

You never gave this a chance. For 3 weeks I've had nothing but negative feedback and no communication.

Not the Jeffrey Epstein I remember from earlier.

a simple "I dont know" would have been the right answer. a simple call to find out , would have helped , but you decided to make up an answer , I did not see the pool electric on the punch list. ? sorry it didnt work. yes- it best that you leave

Jeffrey,

With all due respect. I was asked to come here to sort out the staffing, not to be an island manager. Anna is in charge of the outside crew and I've created a position that works for her.

No, I don't know what every person on the island is doing at all times. If I were to oversee every single person, I would not get anything else done.

I get it. You are not happy with my performance and I can accept that and will pack my bags. But, I never signed up to be an island manager. You asked me to come sort out the situation with Brice, [REDACTED] and Anna and staffing in general.

I found a couple you like, split up Anna and [REDACTED] so they can co exist and gave them realistic areas of responsibility.

On top of that, I've been keeping an eye on both [REDACTED] and Anna's areas of responsibility and helped out where needed. Including spending all my day Saturday cleaning beaches and plucking weeds, rearranging stones for your arrival.

I've never once had a chance to sit down to define my role with you. I was asked to come to do one thing and then is expected to do something entirely different.

Sorry it did not work out.

I will coordinate my departure with Rich

Sincerely

John

rich, this is unfortunaley typical. . johns answer is totally fabricated. fiction. no basis in fact knowledge or accurate - it turns out chris accidently ripped out the electric when they planted the new trees. . jason said john never spoke to him about what he was doing only the fact that he would report to karen. not sure what a manager does who has not the first idea of what is actually happening.

New solar plant, new generator. So new runs are needed. Maybe the pool never had electric.
