rich, it seems last thursday john asked anna for permissoin to take the car " to the store " , he however took it on a totally personal journey for dinner with his friends. left the car filthy with sand took his friends in the car ( my insurance ). he asked jermain to clean the car sat morning which he said was only as a reminder . though it is the only reminder he sent to jermain. he said he took it to havana blue a beach bar, and initally told me that the parking lot was sand, doesnt appear so. but. he is on probation and if i dont see a serious improvement , next week will be his last. I arrived after a europe trip to find no shower , no air and no treadmill. each with their own explanations , none of which i find valid.
