Will send names in the morning.

Just had Dr. Imber do a free forehead lift this morning. I was in the OR for 45 minutes. Came home with a nurse...who gave me half a pain killer at 3:00pm....I slept. She made dinner...and the night nurse is here doing nothing.

I have a turban on till tomorrow morning. I have two little "staple" behind my hairline on each side and my eyes look amazing. Turban comes off in the morning..and I will look another ten years younger!

Have to rest now. Will update on all.

xoxo Peggy
