Hi Jeffrey, it's [REDACTED] My mom talked to me about the American universities and I am very touched of this proposal. I also understood that you both talked about Bard College and this is a really good university and I know some people there but this is not a university that corresponds me. I think I am more into business and management.

If you want to see me before leaving Paris I would be very pleased to see you,
Kiss,

[REDACTED]
