Jeffrey,
Appears the Bell 429 in San Juan is down for maintenance this weekend, unsure if it will be able for viewing on Sunday,, will have confirmation tomorrow,
Seams they were willing to fly the helicopter to St Thomas to give you a demo ride to LSJ.

Message from their Broker,

Larry:

Our client was open to your request. Unfortunately, however, it seems the helicopter is undergoing maintenance and will not be ready on time for Sunday. I should know more details at some point tomorrow but wanted to at least let you know this upfront. My apologies for the inconvenience.
