glad to hear you are studying. we need to come to some understanding. I remind you that a year ago. I told you to be careful of ny guys. you ignored me and got us both sick. I told you to please stop posting sexy photos. ? you ignored me. I asked you to try to get a green card , you ignored me. I asked you to again stop postiing you did it anyway, you then took pills on my plane without knowing what they were. you told me you take hylayrnic acid pills but did not know which pills were in the jar, putting me again at risk. I know you are sorry, you have not been mean but have been horribly negligent , endagering both our healths and damaging your reputation and mine. . I will sit with you next week when i return.
