Dear cousin -just came up with a wild idea can be similar to the late president Sadat initiative after 1973-war -

First Yemen to begin with Accepting visitors

From Yemeni Jews from Israel to visit directly to sanaa -

There after we suggest to follow the initiative done by president Sadat who made the surprising visit to

Jerusalem after 1973 war -against all the wishes of Arab states -resulting in

Recognizing the state of Israel -

Israel TO intervene immediately by her initiative to stop the aggression on yemen by the allied Alliance. Led

By saudi a star formed by U.K. Government formed as a nation in 1920 - This aggression being assisted by the

three western nations member of the security council -benefiting from the sale of Arms to the allied nations

forces -

What you think
