The only thing I'm sure about is that if in a week I don't find a place to stay I'm in the road

I want to learn about photography because this is what I want to do starting by being a photographer's assistant. Learning from a great photographer is much more enriching than working in a bar. On Monday the Vietnamese photographer will give me his answer. If it's negative I still have a meeting with Tim Walker in London. I'm not a model, I cannot live in a models apartment

you can live in a model apt ? ask the agency? i m not sure why you keep asking me the exact same question over and over I give you the same answer and then you tell me no I dont want .. get a job. that pays money. you have interned at school, at [REDACTED], at [REDACTED] now another possible opportunity tbut hat has yet to be confirmed. get a paying job. you got money for the gym , didnt go , but paid anyway, took money for parties travel , but not job hunting. . want to build your following but refuse to excercise and stay healthy. . you have chosen this path. I have no new advice, sorry, its the same for years now. move in with a bunch of girls. save money, start working somewhere , and then you respond but i dont want to do that for my lifetime, and the silly circle begins again.

Jeffrey please answer me. I really don't know what I should do and how to find a house, I only have a week left. London is also very expensive. I really want to do those internships because they are both great Photographers that I admire and I feel I can learn so much. If I wouldn't have to pay for a rent it would be much easier but like this I really don't know how to do.

I know you don't want to give me any more money and 10k is a lot and I am thankful for this BUT with no big income and a rent to pay it goes away very very quickly... So please I would appreciate so much if you could give me an advice in this situation

Ps: I know I keep contradicting myself in my messages and I feel I have a personality disorder. The truth is that I'm not able to stand on my own feet and I miss you everyday.

What do I do ?? I cannot afford to pay a rent ( if not in 2 months I'm broke ) , I don't know where to find a house and where to go in a week

Yes thank you. The rent I am paying is 1.700 euros, on those 10k I've paid the rent, food, gym, transport... I cannot afford it anymore and the owner wants the house back to rent it long term. In France it is super complicated to find a house with no guarantee and no salary and the house I was renting since now was from a friend. I don't now where to go and I have all my luggages and stuff that I have to move out

Today I've seen the photographer and he told me he would let me know on Monday if he would take me or not. He was very nice and I think I could learn a lot from him. It would be an internship and I don't think it's paid. I also met a very good friend of Tim Walker last night who told me that he can organize an interview with him in London if I wanted. I have to leave my apartment in a week because the contract is over and I cannot pay anymore and I have nowhere else where to go, basically in a week I'm in the road.
