Hello!

My name is [REDACTED], I happened to find out about a job opportunity and your email attached to it.

I am interested to find out more about this position. I fill in for requirements as a hard-working, well mannered and very professional. I have my undergraduate degree from [REDACTED] and I also was [REDACTED] throughout all 4 years.

At this time, I am looking for new opportunities and challenges to put both my degree and years experience to work. I'd love to discuss any opportunities that you might have and what I might bring for the further improvement. I am currently in New York City and would be able to come for the interview if you are interested.

Please feel free to contact me at [REDACTED] or email, [REDACTED]. I have enclosed my resume for your review and look forward to speaking with you soon.

Sincerely,
[REDACTED]
