Entirely my fault. The parking lot by Flagpole was put on the punch list in January when I was on the island, so when I noticed it was still not done, I added it as a maintenance item. The guy in the Photo is TJ's helper Joseph.

Cracked plastic lattice boards and missing paint. It looked pretty bad

Sorry about that. My only intention was to get things maintained before you arrive, but did not realize it was not a priority

Lesson learned

how and why did the parking area get done. it was never on my list. never approved. never even discussed. this was NOT on a very long punch list.
