hi.. things going just great with nancy, btw.. feeling good about that. Just finished crazy 10 days of book promotion.. it is doing well. will send you a book.. where?

Noam is going to stay in Tucson I believe, but visit Tempe from time to time... just fyi

we picked 2 (Epstein) Origins Undergrad research projects to support this year, at the canonical \$10K/per project. I don't know how we get money from you for these, but wanted to give you a heads up.

Our Origins Postdoc Prize winner will be coming next week to lecture (on origin of life) if you want to drop by..

Saw Johnny in LA when I was there this week.. he is doing well, and am hoping to pick up Paine again.
