Jeffrey

I know you hate to be involved in the drama that goes on, but I feel that the situation with Jill at the vinyl shop needs to be addressed since she Emailed you directly.

As you know, Karen overheard my conversation with Jill and she will also tell you that it was in absolutely no way rude or condescending. I am simply a customer calling in with changes to a work order.

I am 100% certain that her response was the result of Carlos poisoning the well. He and Jill are friends. There is simply no other reason for her to have such animosity towards me.

This is not the first time I've been involved in his slander.

The correct procedure in my mind would be to confront Carlos. And, if confirmed, he should be put on probation

for sabotaging his superior. The message I like to deliver is that on LSJ/GSJ we either work as a team or not at all. The kindergarten BS is so rampant. The atmosphere here would drastically improve if Danny and Carlos were sent packing and replaced with adults.

Thanks

John
