Please organize in one email and your top recommendations . There are interesting candidates . You should demonstrate your ability to me . Merely forwarding twenty resumes is not a good reference for a real job . Had I been you I would have shown me how organized you can be the take the workload off me . Where did you post the job!?

Hi,

I live in Norway at the moment and hope that is not a problem, seeing that I am not an american. I have attached a picture and resume in this mail and really hope to hear from you.
