---

Good day All

Attached are the pictures of the rat bitten wires.

Regards  
JRuan

Good day All

Choice has replaced the wires that was bitten through by rats again (termanix poison did not work) and the power suppressor. The radio synthesizer on the dragonwave is malfunctioning. and Choice does not have this part in stock, but we have the warranty with Dragonwave and the part will be shipped to them within a week.

Picture to follow later.

Regards  
Jruan
