I return tonight at 5 local. . issue today. am told 1 . that as i said the water is hard and unacceptable IT IS NOT OK. and th system is not complete. a water softener was NEVER installed. the calcium carbonate makes it hard. 2. I m told my danny and confirmed by smiley that the program is working fine??! 3, Im not sure what pumps were ordered and who advised . 4 re the surge protection black danny said they are already on each panel? ? so no need to add. . 5 landscapers need to be fired and rehired. 6 lets get bids from blue water construction for future projects. .7. and second bids from compass marine to do our boats
