I'm going to Annecy and some other small cities on the eastern coast of France this summer. It should be beautiful with the Alps in the background and lots of lakes and rivers throughout the towns. Will you still be in Europe end of July?

I am retiring this year, so i thought about having a birthday party/retirement party because I haven't had a party since my sweet 16. But I think that's more of a fantasy than a reality. I think I'll celebrate by buying myself a Peleton bike, I love cycling. How about you, any plans?
