after your aspen trip ----- In january I told you that your future is very important to me. as are you. . that i really wanted you to take your life seriously , ballet and english class. . i repeated it before your birthday trip. and again afterwards adding PLease get your drivers permit. . it should only take a day or two of studying. . In addition I had planned for weeks to return from paris. on friday and leave on sunday. . Im not sure what has happened. no learners permit. . no toefl advancement. . prioritizing a silly shoot instead of doing what i asked repeatedly. getting sick by doing so. and the results are No permit No english, No travel. no help to me. . If I can be of more help let me know. I am disappointed that you have ignored ALL that I have asked of you, you are soo special, i am not sure what it takes to get you well but i will do it. I hope you are not trying to force me to be tough. I dont want it. If you need drama someone else needs to provide it. I only want to do nice things.
