Should I refer them straight to you? Or do you need their bank codes? What is the process?

Hi Jeffrey,

Just got this approved here at PolyU. Let me know if you know anyone in Asia that might be interested:

I've attached a writeup from one of the guys that came to Tulum. It is about his Ayahuasca experience. I am planning an event in Europe in April / May and another one in Asia in July. I intend to run these annually around the world to build up community and a network of people with special abilities for research and "Sci-Woo." We will do a TransTech Conference after TSC in Shanghai. Wendy, my partner there, knows the former head of parapsychology in China back when the US, Russia, and China were funding the area. Building a pool of subjects.

David Sauvage came with me to Davos. In Zurich we met an interesting person who was able to detect when David was reading others. We did a simple "off the cuff" experiment where she closed her eyes and David "went" to "read" her. She was able to detect when that happened which was very interesting. We are planning a "transformation area" in the Bahamas this summer during the Americas Cup. Also in Davos next year.

The Cuba group are asking about the funding. Is it possible to transfer 25K for the event?
