spoke with Brian earlier today and they in touch with Saks to obtain video from store and also are pursuing cameras from other locations where charges were made.

brian met with the girls after him and i spoke last night. he informed me that the door to their dorm apartment was left open and the thief stole 5 laptops from their dorm room. materials from apartment were discarded 4-5 blocks away in a location where they are pursuing a 20-21 year suspect that has a prior history of stealing computers. one of girls phones were pinged to that same location. brian inferred once they saw video or gathered more evidence they would try to bring in this suspect.
