Jeffrey

Just spoke to Josh, he will be sending an email in the next hour regarding Purchase agreement,.

He says it will be bullet point email that we will have to answer by Monday if we want to proceed or walk,/
On another Note, Chip has no idea we are engaged in 5173, However Chip did mention Stephen Ross had

interest in 5173 as well, Based on no fact , Especially coming from Chip and this could all be rumor,;

Wanted you aware anyhow

Thx

Larry
