Brad/brian-i have reviewed this "final" draft and I note the resolution of the three points that were outstanding with jeffrey on the last draft.

Can I assume that PW has signed off and is comfortable with substance and tone. is it also correct to assume that you have jeffrey's sign-off. Thx, brad

Leon,

Attached for your consideration is a slightly revised version of the reasonable cause statement, which reflects additional comments from Jeffrey that we incorporated today.

I've included a clean version and a cumulative redline showing all comments incorporated from the last version you had reviewed. Please disregard the version I sent on Saturday afternoon and review this version instead.

Thanks

Brian
