Hello Jeffrey

Long time no see!

Well, we are all set to go and very excited to begin. I had dinner with Jack last week, we went through the initial portfolio, and he is very enthusiastic now that we are reaching the "tangible" part (at last, looking at art work and talking about emerging artists).

I'm due in Berlin over the week-end with the hope of potentially closing some acquisitions, and most importantly at the end of next week in LA where I have important conversations with artists and art dealer.

Most of the pieces I plan to begin with are below your 10 K approval radar, however we need to get the account funded (I'll be happy to pay for some pieces in advance if need be, but I want you go ahead).

I realize you are busy, but I think it would great if you could officially get the race started

All the best!

Etienne
