Dear Boss ,

Thank you for motivating me for keeping my dream alive. I was on the verge of quitting after working tirelessly towards my Doctorate programme for the last two year due the advisor I have been assigned. Due to her lack of correct guidance I am still stuck at the research proposal stage.

I would be deeply grateful, if you can help me look for another university, similar to Middlesex University's standard which will enable me to continue my doctorate programme. I think I could use the credits that I have gained so far at Middlesex which will allow me to start off with the research part. I am open to alter the current research topic if need be, however I would like my research to be about women empowerment.

Please find attached the second draft of my proposal, incase you would like to share it with relevant people.

Thank you for your support

Regards,
