joe is 70 years old with 50 - 60m , is suggesting he wants to negotiate a bill with his tax lawyer for a years work of his work that totaled 250k. he will definitely need the lawyer in the future I asked why he spent two minutes thinking about amounts like these. given his level of trust that he has in the person. and the need for him in the future. he got it and paid immediately

2 as a friend it is not right to continue to ask for services after being told the required fee , with the self goal of getting the service and then only afterwards negotiating down the price at the end. , not right

3 the elegant solution is to pay the 25m , out of the 30 in cash you received for the art. \

4. not sure how you can expect me to ever do anything for you in the future , without payment up front. .

5 surreptitious paternity

6 audit, could effect. would have been nice to know

7 the 170 will be . what amount do you put on it. ?
