The visa issue has been on our whiteboard since aug. I really wish you had not gone to Arda 2 can you ask yourself why you repeatedly feel it necessary to attack me . ? these attacks are usually accompanied by incomplete facts and with real force .? on another note I would truly welcome your constructive views on the " Filthy rich" instead of the pesner story . ? ( the saudis asked me to autograph a copy ) also ask yourself how many times you have recently said to me " I expect " when merely calling on our unique friendship to get something for free . fyi If things go south with Deb, you will be strongly relying on my structures which you seem to consider of little value.
