The \$1MM for the Art Fund has been transferred from STC's account to Prytance. Before I tell Etienne about it and give him the account number, I wanted to make sure you got the email that I sent you (which I send again below) with Etienne's first series of potential selections and are comfortable with what he is doing. The email is from "WeTransfer" and permits you to download a large pdf that is too big to email directly. Some of the artwork is above the \$10K limit (or where the currency in the geographic area in which he is purchasing is Euros, then the limit is 10K euro) for which he would need your approval.

Shall I tell Etienne the money has been transferred and he can begin work on the fund and do you want to speak to him about what he will be purchasing?

Please advise. Thanks.
