mine if you want :)

Fashion is going down now, others too risky. If you buy an agency and the key people get out then the agency falls. It's a people's business.

Elite on sale, Why Not on sale, Fashion on sale etc etc but I would not buy any. Much better to invest the money in a new one, hire the right people and it costs you a lot less. Alternatively you can buy an agency only from someone that you trust 100% and that will not steal the personnel out. Not a simple business but we have fun doing the hard things where 99% of others fail :)

Yep modeling finally better! Added a couple of top people and personally used connections to make sure that clients call the agencies when they have castings... Now they are growing a lot finally...

To buy there is a... plane ticket to come to south of france or Milano so we can hang out! A private Jet with showers installed would work also!

Looking forward to seeing you
