But Jeff I'm really serious. So tired of people putting babies on this planet without thinking or analyzing themselves and what they can really offer.. .

This is also, why I respect you. First thing you said to me was that you were a "dirty man" and that you didn't want kids (self knowledge!!).

Do you think I can go further with this idea?

Hugs

I want to find a way to become financially supported while building up program/network for kids with lousy parents.

Beauty really is power...

Extraordinary, in that sense, I think not. They all look like BBBs... :/.

If you have any wealthy friends in Stockholm, could you put us in contact?

Couldn't load plugin.

Well I left business years ago, been in real estate and design since. Stockholm.

Anyhow life is closing in with everyone getting engaged, promoted, vacationing, taking more selfies and so forth, can't stand it. Fake life.

I think you and my father (died last year) are the only ones telling truths around here.

I don't want to live or do anything expected from society. And certainly there are no real men in this city, only boys.

What would you say is my best next move/option? It's not like I'm getting younger here.

Tnx for reading!!
