[REDACTED] (the one who went with the chicken to St Barths for new year)? Never heard from her (besides that one text to forgive her on the forgiving day - it's just an orthodox religious formality, not a real thing); she switched to Q models. I think she had a boyfriend at some point but not sure it lasted long...

I don't mind reaching out to her, if you would like me to.

The dummy asked me to call her and then wouldn't pick up the phone (the usual), she texted me recently and I told her I could meet when I am back. She is in NY, in Soho.

[REDACTED] didn't respond on Skype yesterday - I told [REDACTED] this morning that it's not professional etc - [REDACTED] said she would talk to her today. She looks very cute, but more on the party/ fun side. She had posted last month on Facebook that she had missed her plane for the 50th time etc.. could be fun for entertainment, also posted a picture from a private jet

did you mean that Ramsey liked [REDACTED]? She is in Milan now and is coming to NY in about 2 weeks (she doesn't have the ticket yet). She is on the Major website - [REDACTED] Is her modeling name. She has an O-1. mY guess [REDACTED] won't make money with Major and will need help with an agency/ money etc. I think she is a great girl, responsible, serious, and kind. I am putting her in touch with [REDACTED] once she comes to NY. Might be an assistant in future when she gives up modeling.

[REDACTED] is ok, still with the same sick guy. Still struggling with modeling. Still no cute friends.

Meeting [REDACTED] today in the city. [REDACTED] asked to meet once she is completely done with the move (either this weekend of early next week)
