---

sadly i think his worst case is best case which means we are wiped out..  
not sure how he is prioritizing notes by partners over equity (probably David??)

please advise  
thank you

Can we arrange a time to meet tomorrow , what is convenient for you

Would like to go through projections with you as there are assumptions which I would like to discuss

In addition would like to go through the drop box index as there a lot of information in there and want to explain the navigation of how it is laid out

Thank you again for waiting,  
David
