[REDACTED] - 23yo, very nice, speaks English, a little bit of French, 2 years of experience in hotel industry (receptionist); will be in paris February 5th (if she gets her visa on time); Currently modeling with Métropolitain (mostly shows and showrooms, enough to support herself);

[REDACTED] - 25yo. Has been working in China for the last 5 years (too short for Europe, 172cm); back to Moscow end of February, needs a Schengen visa; seems very nice, studied hospitality; a little bit anorexic.

I liked them both, very nice and polite. The quality of Skype wasn't very good but both look ok (5-6 out of 10, might be higher if I see them in person - I give myself only 9 when I look at myself on Skype)

Would you like to Skype them?
