Good evening [REDACTED],

We apologize, this week is impossible for us . Next week I will be in Paris for a week (16 to 22 of january). So we can plan to come the week after. We can already chose a day for that.

Best regards.

Good morning Philippe. Jeffrey is asking if you and your partner would like to go see his islands this week... he will not be there but he has staff who can show you around. I can organize flights and hotel stay for you... please advise if you wish to do this and if so, when would be good for you this week.

Thank you,
