there were two drafts after this one. adding more facts. IMPORTANT you are not being given total info. You cannot make responsible decisions it is complex. but the solution needs to be simple. Tom turrin has never given wechsler and i any forms that were accurate. from the simplests of documents requiring only input. based on a thorough reivew of the documents I think there is an extremely elegant solution. only works if the facts are as i belive them to be , and after checking. makes it all go away. . . Stop being so cheap. I lewie.
