You help me so much with everything all the time so I felt like I would've been wrong to have you pay for every little thing so I just shared my check with them to keep them happy.

The house was more than enough for me but you still continued to help me and I know that you don't have to so I don't want to take advantage of you generosity

You've done and given me so much that it's hard to ask for small things I should be able to figure out

Emma & CC went back to school after Carnival and CC almost had a fight with a 12th grader.

Emma got involved when she heard what was going on then everything turned into a disaster and the school couldn't take it anymore. They asked that I remove Sierra from AFA immediately offering her full credits for the year so that Emma can graduate in peace.

When I can't afford to send them money to buy clothes, event tickets, Beauty supplies and other nonsense items, they get upset and tell me to go find it or cant I go borrow it, because they need it and when my debit cards are declined because of them using it for Uber eats, Uber car services, Lyft car service & At&t WIFI they call me to complain and yell

I told them that we can't afford those things anymore because we have to start to save but they just don't understand. None of them, I give them everything. I do everything for them. I've always been a slave for

their happiness because I didn't have parents that were a slave for mines. I just don't understand. Strangers are nicer to me than my own kids.

My Son is the worst. He called me a bitch, he said he would kill me and burn down my house all because he can't get what he want without having to work for it. He want me to do everything for him...

First.

Thank you so much. TWA Suburban: Rich told me today that you said I can have it. Every-time I'm going through something you always save the day. I could never repay you. Thank you so much.

Emma's Graduation: Emma didn't want to walk the stage, CC got in trouble with me and the school and I asked Chico to leave the property since he doesn't want to do anything with his life. Then he threatened to kill me and burn my house down. It's like a nightmare

LSJ "Heads up":

Dalce: asked for a \$3,000.00 loan. I told him to ask Karen because I don't want to step on anyone's toes

Danny E.: asked if we could hire him a helper. I told him that he would have to ask Brice so he said never mind because he doesn't want to upset Brice or Michael

Carlos: asked if he could meet with you on your next visit home?

Chris: I should have flight info for Chris trip back to LSJ by tomorrow afternoon.
