Yes will do boss.

As far as phones project status, everything has been set up for Viya and their equipment. The paper work has been submitted for review and signature but there is a quote of \$12000.00 for the installation of their new fiber run connection to Isj's fiber plus the equipment to be installed on Isj. This quote was also submitted for review and approval.

Good day boss

New speakers have arrived and installed. I will be changing all connectors because I found corrosion in them. Should I hold 1 of each speaker and repair them for spares or donate all non functioning speakers?
