No not at all. Shk Hamad understands your need to have something ready to occupy, than wait for all the build up and furnishings. It's totally ok don't worry about it. It's not the current seller is not motivated to sell, but it's the season here which keeps every one busy with lot of activities and visits from family and friends. If you have any other property for consideration, let me know so that I can visit the place and have an initial evaluation on behalf of you, before you arrive.

I hope i did not upset shk Hamad by suggesting another property. . As the same as the last one , it will go to you and your family. . It appears that the current seller is not very anxious. and I hope it is not stressful for you

im sorry you have been so busy but I understand. -- It seems everyone is spending time with their families for the holidays . and as the hotels are full, and crowded. what I will do is fly there in early january, when it is calm and peaceful but cold. if you can get real photos of the villa that would be great. I would also not mind seeing photos of my new morroca assts.

I hope you have a great holiday. We will have a lot of fun in the New YEar. . regards to your uncle
