My dear Jeffrey,

[REDACTED] spoke to us yesterday because she felt a little sad that we would not be with you. What I said to her, and what I want to tell you, is that I don't want you even thinking these things!!!

All I care about is that you are rested and peaceful and having a good time and whatever makes that happen I am truly more than happy with 😊😊😊

We've spent holidays apart before, and we will in the future as well, and I don't take it personally and I know that it doesn't change anything in, or mean anything to, our relationship. 😊

Love you love you love you
