Good afternoon Daphne,

We completed the single day of field work at GSJ and have assessed the amount of work required in order to provide John Woods with an inventory of improvements. (I expect it to require approximately 10 days of field work.) Please see the attached proposal for your review and approval; please note the deposit requirement. I'll forward an invoice for the completed field work separately.

Sincerely,

Ryan C. Wishart, PLS
President

Greetings Ryan.

Our Principal approved one day of field work and requested after for a report back with pricing please.

John will contact you tomorrow on coordinating a schedule with the managers.

Kind regards, Daphne
