I am sorry, but I didn't know about these rules , it was transfer not only for apartments but for my mother's birthday present as well.

I started to prepare for GRE exam, visiting classes and online classes with teacher . Taking my Chinese exam again on 19 of may, I failed previous internet-based one because i wasn't able to read any character , type was too small... for a second I thought I had eyesight problem , but it seems I am fine ... This time I take paper-based exam ...

I haven't started my internship yet, because this Jacob's kid is super busy now , he needs to finish his project first.

Also I am searching for a husband/wife ... To get the work authorization via model green card seems nonviable for me.
