for your leon meeting. . 1. at our meeting he said he took the position that tom and joslin. knew the rules but i didnt . 2. he really had no interest in any email . that suggested a different narrative than he wanted to believe. 3. He said he never agreed to a 50 -60 m dollar fee thought their are one email after abother laying out diifferent methods of paying as he was cash short. in fact one was to keep 30 m outstanding on the credit line WHICH THEY DID . only after the transaction and all its details were completed with me on the phone doing it myself. he was on his boat. he then said this is the amount i think you should receive.

re [REDACTED] first she made false documents. second she told the agent that she had no time for biz as she was in school , 2 months after applying for a biz , NOT student, visa. (VERYVERY BAD) . He ignores the fact that he has paid MILLIONS of dollars to RUSSIAN girls. and cant understand why they are suspiciousl [REDACTED] issues came to light months after the 30 million note was done (i add- soley as a favor to him to save him millions of dollars by having a 1031 tax free exchange with ME!! . i used my money not his. . I bought two items that were supposed to be sold in 2 weeks according to him and gagosian , it turned out to be one year. no benefit at all to me ZERO. much bookeeping taxes to pay , all on my side. . [REDACTED] lies came to llight months after the 1031 transaction 4 months to be precise. . . no answer for why she did anything she did. . if needed i will need to disclose the 1031 . which will cost him more than 30 as it will open up all previous 1031 s which are horrible not done by me or with my guidance. . My bet is he will say that he will pay part of phaidon benefit. . and then want my help , as he does iwth [REDACTED] for free. i leave it to you.l
