Greetings Rich,

Chris has advised that he spoke with Veny, and the flat rack should accommodate up to 15 palms of the Sylvestre and Chinese fan species.

He will revisit Martex Farm on the 20th to tag the additional palms - he is considering 5 to 7 Sylvestre and the remaining in Chinese fan palms.

The palms would sail on Friday, 12/30, arrive on STT Saturday, 12/31 and be cleared and picked up Tuesday, 1/3/2017.

| can you please coordinate with chris and make arrangement for his trip to see ingred
| in addition jee asked about purchasing the sylvestrie palms from the last visit

should we do 1 flat rack of those? please advise how many can fit in a tropical flat rack
thank you
