Hi Rich,

The Giacometti viewing did not happen this morning because the buyer's plane was stuck in Switzerland (I'm not sure why, but I've asked. Maybe weather?). I've asked Gagosian about rescheduling. The sculpture was taken to the Giacometti Foundation this morning and uncrated – it arrived safely with no problems. The Committee will examine it tomorrow and then we should hear from them in a week or so.

Let's see what Gagosian says about rescheduling the viewing and then we can discuss where Jeffrey wants to have the sculpture sent once it leaves the Giacometti Foundation (which won't need to happen for a little while).

Best,
Heather
