Wonderful. Just celebrated 18 years with my wife.

Planning the events of the next year which is why I want to see you.

My oldest son got into several boarding schools in the UK including a scholarship. I am bringing him to the UK for 4 days next week (was going to be in Shanghai with Hameroff and Tagg to work out the Science of Consciousness event in June). Will be in Shanghai afterward to meet up with them next Thursday through Monday. Speaking in India on 14th in Agra and the 16-17 of Dec in Delhi (http://www.enlightenmentbe.org/upload/final_sach%20bharat2016_confluence_sg.pdf) then in Italy with the family from Dec - Jan 1. Tulum from the 2-14 or so, then Munich and Davos. Back in HK at the end of Jan.

This weekend, █ hosting TEDxHongKong - http://tedxhongkong.org and bringing my daughter to the MaMa awards show - (http://mama.mwave.me/about).

█ with family in Italy through Jan 1 and will be in Tulum Jan 2-14. Also talking to Joscha about coming down (will be like our Further Future Festival).

Will also be at DLD and Davos Jan 15-21 or so afterward (███████████████████
, https://www.weforum.org).

Where will you be around that time (Jan 2 or Jan 13)? I may be able to pop by to see you for a day en route.

Hi Jeffrey,

One more thing… This was my talk at TransTech: ███████████████
v=cvfpIAWx_SE&t=4s

Provides an outline of the theoretic framework that I've been trying to explain to you over our last few meetings.
