thank you
please communicate with jeffrey, who is also close to peter thiel.
jeffrey thinks peter is really thoughtful.

good morning and thanks for taking the time yesterday to review coinbase with me. I realized that if i were you, i would suggest to steve bannon that he talk privately with jeffrey. as you know jeffrey knows more about international finance than anyone on trumps team, by a long way. tom barrack knows jeffrey well, and apart from the google mess he makes steve menuchin look like my son in terms of sophistication.

thank you
