Dear Prospective Investor,

Thank you for your interest in P5 Health Ventures. Some of you attended our November 3rd event. Some could not but remain interested in what we are doing - either as a party interested in science and medicine as well as perhaps working with us in the near future.

We did a video recording of the event but were not happy with the product that was produced. Though we have the recording and are happy to share it to those that want to see the people present, we have attached both a fully edited transcript as well as the underlying presentations.

We thank you for your interest and even if you are just interested in the medical side of things, please do not hesitate to call us or email us to learn more on a topic of interest.

With warm regards,

The P5HV Team

Charlotte Dequeker
P5 Health Ventures
