I understand is a big responsibility. I am taking it very seriously with a huge gratitude! And in the same time it gives us big hope and different perspective! I highly appreciate that Jeffrey. I will send you all the numbers very soon!

[REDACTED] Woody...honestly I could not believe Woody is such a great musician! I've seen all his movies (my favorite is Zelig) and recently i saw all his interviews and fragments from his music world!!! I Love Woody!!! It's very pitty that he can't come to the festival...I just find out the date of the show would be very magical - 2017.07.17 :)

Jeffrey, You are more then welcome to come to our festival! (Finally we have nice Kempinsky Hotel, 2 min. walk to the venue!:))

My dear Jeffrey,

I value our friendship very much. I feel blessed each time I receive an answer from you to my letters. Your attention, kidness, generosity means a lot to me...Thank You.

...I never thought I will dare to even think of asking You to concider my request for investment either with a loan to help to assist us to move forward. I am doing it now....We understood how to creat a formula of success for concert business in Geneva. We have contacts, we have ideas , we know how, when , who , where...Only thing left, this huge challenge- money. Without exact amount we are not allow to buy A level artist, like Norah Jones, Emily Sandes, Herbie Hancock...The only way to take root in Swiss is to start big...Jeffrey, would you help us to make this step forward?

At this moment my wet palms are shaking like a tree banches in the storm wind and my heart beats two times faster... I am sorry if I disaapointed you with this disaapointing question.
