some of the initial questions will seem simplistic. . MBS asked that i see the details of the proposed econmomic development area. legal structure , residency permits etc. With regard the mimisters he wanted me to coordinate with , for a first very preliminary overview. Iw oudl like to see for EACH org structure, . we will be proposing new legal structures. so justice etc. . \ for the PIF . and economic development council and central bank. the follwing . top org chart top thirty people and their postions. the five top goals for each of those goals the five things they are doing to achieve each , and the five things that are the biggest problems. so for each there will be 50 reponse. 5 goals a total of 25 positvie and 25 negative issues for each minister lets start there !!
