Subject: Transportation Issues

Date: Fri, 18 Nov 2016 03:17:27 +0000

Good Night All,

I will be late tomorrow. The Escalade developed what appears to be an electrical problem of some sort tonight on my way home and stopped on the road. I will have to tow it in the morning from where it is to my mechanic to find out what's wrong. I will report in as soon as I handle this.

Regards
Jruan
