Leon, If i take you at your word - , I am your closest friend. So please take the time to read the following carefully and in the spirit that it is written . Over the many years I have truly given my best in in order for you to be well . I have introduced you to what i thought were the best of the best in women friends. I have spent huge chunks of my personal time in an attempt to keep you safe in the financial sense and defend you in very personal matters. My recent encouragement of you to see Rony , was the latest gesture in an attempt to keep you also physically safe. Im sorry to say that it now appears that your remarkable intellect is coupled to, and driving your clearly self-destructive behavior . I have been unable to help and for that I am sorry . Laying the blame for the mess at your office in my lap , joslin etc is too much. I m done.
