Hi Jeffrey,

I hope you had a good weekend and some time to relax after the crazy elections-time :-)

Thank you again for your time on Saturday and for a chance to briefly introduce myself. Please, find attached more information about me in a short presentation.

Masha told me a bit about your achievements – I am very inspired about your success and would be glad to get an opportunity to help you in your current activities.

How about to talk this week?

As an alternative, Masha and I would be very, very happy to meet you in person in New York - if you invite us as guests ;-)

Thank you, and let's be in touch!

Best regards,
Olga Ponomar-Becker
